No.Law/EDMC/2021 / 0- 460

Dated: 08/04/21

Subject:

Attachment in Labour matters.

It has been brought to my notice that written statements are being filed in Labour Courts by the departments without verifying the claim of the workmen and without even mentioning the exact amount which is payable to the workmen. As a result of which award is passed with respect to the entire amount as claimed by the workmen, which is much more than the genuine claim. This shows serious negligence on the part of the concerned officials of the department, thereby causing exorbitant financial loss to the EDMC. Further, the officials of the department are also not attending the courts regularly. It may be mentioned here that EDMC is already running under severe financial-crisis and such attachments in labour matters unnecessarily fasten a huge/un-expected financial burden upon EDMC which further deteriorates the already crumbling financial crisis of EDMC.

In view of above, it is requested that all the concerned officials may be directed to file written statement/reply in labour matters after properly verifying the claim of the workmen. The assistance of Accounts Department must be taken in this regard. The amount to which the workmen is entitled, if any, must be disclosed in order to avoid over payment/double payment. In case of any negligence in this regard by the concerned department, it shall be treated as connivance with the workmen and the matter shall be referred to the Commissioner, EDMC for taking disciplinary action against the concerned officials. This may be treated as MOST URGENT please.
