3. EVALUATION OF BIDS

The Technical Bid submitted by the Bidder shall form the base for evaluation of the capability of the firm.

3.1 Bid Evaluation Criteria

3.1.1 Technical Criteria:

The Corporation has adopted a single stage (QCBS) selection process (collectively the "Selection Process") in evaluating the Bid s comprising qualification

In the first step, the Bidders shall be evaluated for their compliance with the qualification requirements as specified. Based on the evaluation of Qualification Documents, qualified Bidders shall be short-listed for further evaluation.

In the second step, evaluation of technical Bid shall be carried out. Bidders securing 60% of the Total marks shall be deemed to have qualified for further evaluation.

In the Third Step, the Financial Bid of the qualified bidders shall be opened and shall be evaluated on as per QCBS (Quality and Cost Based Selection) method. The formula shall be 60:40. The 60% score shall be of Technical and 40% shall be Financial. The highest score ranked bidder shall be Preferred or Selected Bidder.

3.1.2 Financial Criteria:

To allow comparison on a common basis, each Financial Bid will be carefully scrutinized and Quoted Total Price (QTP) will be determined. The Financial Bid with the lowest QTP will receive the maximum score of 100 marks. The score for each other Financial Bid will be inversely proportional to its QTP and will be computed as follows:

$S_f = 100 \times F_m / F$ where;

S_f is the financial score of the Financial Bid being evaluated;

F_m is the QTP of the lowest priced Financial Bid;

F is the QTP of the Lowest Financial Bid under consideration.

Following completion of the evaluation of Technical and Financial Bids, the final ranking of the Bids will be determined. This will be done by applying a weight of 0.60 (60%) and 0.40 (40%) respectively to the technical and financial score of each evaluated qualifying Technical and Financial Bid and then computing the relevant combined total score for each Consultant.

The Bids shall be ranked as per their total score arrived as per the above quoted method. The bidder scoring highest total marks based on the cumulative technical and financial evaluation shall be the selected as consultant.
