No. Addl.DHA(M&TB)/EDMC/2022/ 205

Dated:- 28/2/2022

Subject:- Minutes of Pre-Bid conference -I dated 21.02.2022 regarding provision of laboratory / imaging services to the patients visiting health units of EDMC through third party.

In pursuance to 'Notice Inviting Bids' vide letter No. Addl. DHA Med.& TB/ EDMC /2022/93 dated 21.01.2022, scheduled Pre-Bid conference -I was held in the office of Director Hospital Administration on 21.02.2022 at 12:00 P.M. The conference was attended by the members of duly constituted committee and representatives of participating firms.

Only two firms namely Dynex Diagnostic & Path Lab and Clinical Diagnostic Centre submitted certain queries in the office of Addl. DHA Med. & T.B. till 18.02.2022, the scheduled date as per notice. The issues raised by these firms were discussed in detail and decisions taken are as follows:-

S.No	Issue(s) raised by the firms	Decision / clarification
	M/s. Dynex Diagnostic & Path Lab	
1.	Whether the full laboratory of SDNH and other 3 will be outsourced or partially?	The Corporation is already providing routine laboratory & imaging services to patients visiting its health units. The present bids have been invited to provide laboratory / imaging services to the patients visiting health units of EDMC through third party to supplement the existing services by establishing collection center / pickup and drop facilities at identified health units as detailed in the notice. As per RFP.
2.	Whether the chances of giving the tender will be more for the service provider for both the services instead of single lab.	No such criteria for selection of service provider. As per RFP.
3.	Number of BPL patient per day / per month in OPD and IPD approximately? (25% for BPL is for IPD also?)	No such data is available. However, it is clarified (against 3.6.2 of RFP) that the service provider (s) will have to provide (OPD and IPD cases both) free services to BPL card holders and unidentified/unknown causality patients requiring urgent investigations, not more than 25 % of total business of service provider in previous month. As per RFP.
4.	We need to set up one lab and 3 collection centers or all will be collection centres?	The service provider (s) need not to establish laboratory in health units of EDMC but only to establish collection center (s) at locations already detailed in RFP. As per RFP.

5.	<p>Rates will be NABL or NABL lab qualification?</p> <p>(a) Lab qualification criterion is NABL and EDMC is asking discount on Non NABL why?</p> <p>(b) Employee of Municipal Corporation or their beneficiaries service will be on CGHS rate or at discounted rate?</p>	<p>(a) Lab qualification criteria is to ensure quality of services to be provided. Since, EDMC intends to ensure affordable, accessible and quality services to all sections of population, bids are invited for discount on prevailing CGHS Delhi approved rates for non -NABL category/approved AIIMS rates / reasonable market rates. As per clause 13.1 of RFP.</p> <p>(b) There shall be uniformity of rates to all visiting patients, irrespective of their employment status with the Corporation when tests are conducted through collection center (s) in question. As per RFP.</p>
6.	The service provider company if offering to provide facility should be a registered company or a NGO, Trust, Corporate Hospital? Or it can be a partnership firm?	The pre requisite criterion for participating firms as documented in clause 4.2.4 of RFP will be amended by adding firm if registered can be participated in the invited tender. RFP will be modified
7.	What are the forms and application format for the technical and financial bid other than that given in PDF?	The participating firms should submit their applications as per format provided at page no. 34-37 of RFP. As per RFP.
8.	Discount offered in % on the latest CGHS rates or AIIMS rates or market rates as applicable for Non - NABH/ NABL institution in the city ? All EDMC health facilities are in the NABH category .(If our lab is NABL then can we get rate as per NABL rates?)	Discount to be offered on prevailing CGHS Delhi approved rates for non -NABL category/approved AIIMS rates / reasonable market rates. As per clause 13.1 of RFP. As per RFP.
9.	Clarity regarding Point 27 of RFP i.e, Floor Area.	The floor area of the space to be provided for setting up of collection center for laboratory services & pickup/drop point for imaging services shall be 100-150sqft. (Each for both facilities). RFP will be modified.
M/s. Clinical Diagnostic Centre		
1.	Request to allow us to charge at NABL/ NABH rates from the patients.	As detailed in para 8 above.

This issues with prior approval from competent authority.

Dr. Shashi Rastogi
