Advisory

In view of spike in COVID-19 cases, all incharges to:

- Ensure that due care is taken in implementing GOI guidelines for prevention of spread of Covid-19 including:
 - a) Compulsory wearing of face mask
 - b) Social distancing
 - c) Hand washing using soap and water / Alcohol based sanitizer
 - d) Proper sanitization of the premises
 - e) Proper disposal of Bio Medical Waste (B.M.W)

All patients visiting Health Units / Hospitals should be sensitized regarding above guidelines and also encouraged to get themselves vaccinated as per GOI guidelines.

- All employees should be motivated for Covid Vaccination.
- In OPD, all patients suspected of COVID-19, to be sent for testing at the nearest designated testing facility, if the same is not available in the Health unit / Hospital.
- Awareness generation measures for the community should be undertaken viz Display appropriate IEC material including Banners, Posters, Hand bill etc. Affixing stamp on all correspondence to and from Health Units /Hospitals
