

SOUTH DELHI MUNICIPAL CORPORATION
OFFICE OF THE COMMERCIAL OFFICER (ADVTT. DEPTT.)

Dr. Shyama Prasad Mukherjee Civic Centre (25TH Floor),
Jawaharlal Nehru Marg, New Delhi-110002,
Ph. No. 011-2322-7508

No. CO/Advtt/Pre-Bid/2018-19/SDMC/NIT/D-25.

Dated: 03.06.2020

Sub: Pre-Bid Queries raised in respect of E-Tender Notices dated 12.05.2020.

Reference to the pre-bid queries received from the prospective bidders, in respect of NIT No.CO/Advtt/E-Tender-01/2020-21/SDMC/NIT/D-08, No.CO/Advtt/E-Tender-02/2020-21/SDMC/NIT/D-09 and No.CO/Advtt/E-Tender-03/2020-21/SDMC/NIT/D-10 dated 12.05.2020 respectively floated for allotment of advertisement rights through Unipole Clusters/Individual Unipole sites/Public Toilets/Individual Public Toilets, Market Clusters and LED etc under jurisdiction of SDMC.

The reply of the pre-bid is as following:

Sl. No.	Queries	Reply
1.	In view of Clause 28 Force Majeure of the NIT please clarify the start date of the Contract and the relief to be provided post Covid-19 since at least 6 months will be required to bring back the clients on board.	It is submitted that the RFP states regarding date of start of contract i.e. "the date of commencement of contract shall be from allotment of contract". However, in exceptional circumstances beyond the control of Department and contractor, the competent authority may extend the period of incubation. In case a relief is granted to existing contract on account of COVID-19 pandemic, the same may be extended to the instant tender/contract.
2.	The LED Screens are imported from other countries. Presently international borders are sealed and we are not sure when it is going to open. Please clarify the start date of the LED Screen Contracts.	As per RFP.
3.	Please clarify whether Covid-19, relief which is expected to be extended to the existing Advertisement contracts post lock down will also be given to the advertisers, if yes, pls clarify the quantum of relief to be given.	As per reply at Sl. No.-1 above.
4.	As Fabrication, Installation and Maintenance of Digital media/LED Screens is a costly affair - around 20 times the cost of installing a Unipole of the same size, I request you to reconsider the duration of this tender for 8 years at least.	No change. As per RFP.
5.	The MRP for each cluster should be reduced by atleast 50% of the proposed cost in the tender document.	No change. As per RFP.
6.	The increment in cost of each cluster should be limited to 6th, 7th and 8th Year only with being 5%, 7% and 10% respectively.	No change. As per RFP.

Contd....2/

7.	The Incubation period for Fabrication/installation of Digital Media/LED screens should be increased to minimum of 90 days from the date of allotment letter, as it actually takes more time to be fabricated and installed, then the regular traditional media.	No change. As per RFP.
----	---	------------------------

Reply/clarification issued above will be sacrosanct part of the tender document. Rest of the terms & conditions will remain same.

Further, the date of bid submission through e-tender is hereby extended due to administrative reasons and the last date of bid submission is 17.06.2020 till 03:00 p.m.
