Phones : 011-23225557; Email ID : addlcmrmd@mcd.nic.in

No. 114/Asstt. Com (Engg.)/CE(QC)/MCD/2022

Dated : 13 /09/2022

### CIRCULAR

The quality Control Cell is inspecting all ALR works, works selected through EDIS module as well as works assigned by Engineers-in-Chief or Addl. Commissioner. In order to have better and effective quality check of above works, the following modalities shall be followed strictly :

- i) All the works as mentioned above shall be put up to Chief Engineer (Quality Control). These works will be assigned to Asstt. Engineers (QC)/Executive Engineers (QC) on random basis/through lottery system.
- ii) The testing charges for the samples lifted during the checking are to be borne by the contractors. Samples of materials lifted by QC Cell will be got tested from the designated Labs. The selection of the Lab should be through lottery system.
- iii) The list of works awarded in the preceding month shall be placed before the Chief Engineer (QC), who shall decide, through lottery system, the 10% cases where sampling will be carried out in the presence of E.E.(QC) and E.E. of the field Division.
- iv) It is further directed that henceforth, while checking of works relating to design mix concrete/nominal mix concrete, at least one sample shall be compulsorily lifted through core cutting. The lifting of sample will be done in the presence of S.E.(QC), S.E.(field) concerned and S.E.(Lab). The core cutting and testing of samples shall be got done through designated Labs and charges shall be borne by the Contractor.

This issues with the approval of the Commissioner.

(SHILPA SHINDE)  
Addl. Commissioner (Engg.)
