

**MUNICIPAL CORPORATION OF DELHI**  
**OFFICE OF THE ADDL. COMMISSONER (ENGG.)**  
6<sup>th</sup> Floor, E1 Block, Dr. SPM Civic Center  
JLN Marg, New Delhi-110 002

No.: ADDL. Commn. (Engrg.) / MCD / 2024-25 / D-77

Date: 31/12/2024

**CIRCULAR**

**SUB: Switching over to e-Office from PRICE module.**

The Engineering Department is using PRICE software to prepare estimates for various development projects under different sectors. During discussions held with all stakeholders, it has been noticed that working on this software is not seamless and user friendly. Also the measurement book module is still missing.

Various Govt. departments and NDMC are presently using e-file / e-office of NIC which is user friendly. At present MCD Engineering Department is using two applications viz e-file / e-office and PRICE software simultaneously, which dilutes the accountability / responsibility of officers. It is gathered that New Delhi Municipal Council (NDMC) is using e-file / e-office for all office purposes including Engineering works.

In order to streamline the functioning, therefore, it is directed that MCD shall switchover to e-file / e-office completely from 01.01.2025, for office work as well as Engineering projects. If, there is any exception, it shall be justified to the authority to whom the case is submitted.

This issues with the approval of Competent Authority.

  
Addl. Commissioner (Engrg.)
