EXPRESSION OF INTEREST

Municipal Corporation of Delhi at present receives 11000 MT of fresh waste daily from its twelve zones in which plastic waste is found to be in maximum percentage. The non-recyclable plastic waste contains rags, sweepings, rubber, leather, crockery, shells, clothing, dirt, filth and similar waste material which is dumped at existing landfill sites and co-processing in form of RDF through WTE plants. The recyclable plastic waste is currently being recycled/utilized for optimal use of resources through the setup of Material Recovery Facilities and other '3R' initiatives at local level.

MCD intends to stop dumping of old/used cloth from its jurisdiction and accordingly invites application for Registration /Empanelment of National / International Organizations for collection of old / unused / discarded clothes for preventing the same to be dumped at Sanitary Landfill Site (SLF). The work shall be undertaken in consonance with the best industrial and environmental practices to carry forward the vision of optimal use of resources.

In view of above, MCD invites all Stakeholders, NGOs, Start-Ups, Concessionaires, Consultants etc. who are willing to participate, in such projects/activities at attend an advance pre-bid meeting on 29.08.2022 at 3.00 PM in the Chamber of Chief Engineer [DEMS]/HQ at 19th Floor, Dr. S. P. M. Civic Centre , JLN Marg, New Delhi-110002.
