The machinery being deployed on each roads is Mechanical Road Sweeping Machine (MRSM), Water Sprinkler with Anti Smog Gun and Trucks with workers of Maintenance, Sanitation & Horticulture Departments. The works assigned to the dedicated teams shall be cleaning of gully gratings and bell mouth, removal of unwanted growth of bushes etc. and carry out road repairs etc.

The list of Nodal Officers, registration number of MRSMs, Water Sprinklers with Anti Smog Guns, Trucks and workers deputed by MCD is enclosed herewith. It is, therefore, requested that passes be issued by Delhi Police to the designated Nodal Officers, workers and drivers who shall be working round the clock on the selected roads.
