Dated: 15/05/2026

ORDER

**Sub: Measures for saving fuel and rationalisation of fuel consumption in respect of Staff Cars under GNCTD**

In pursuance of the appeal made by the Hon'ble Prime Minister of India for saving fuel, it has been decided to undertake measures for rationalisation of usage of staff cars in Government offices under GNCTD.

Accordingly, the following directions shall be strictly adhered to:

- i. Staff cars shall be parked at offices or locations nearest to the place of official duty so as to minimise dead mileage.
- ii. All officers having staff cars shall get the average petrol consumption calculated on a four-month basis, i.e., January to April, 2026, and ensure minimum 20% savings over the average petrol consumption.
- iii. The ceiling for fuel consumption for each staff car shall be restricted to 200 litres per month instead of 250 litres per month and to 160 litres per month instead of 200 litres per month, wherever applicable, till further orders. However, in cases where the average petrol consumption calculated under clause (ii) is lower than the prescribed limit under this clause, the provisions of clause (ii) shall prevail.
- iv. Departments/Offices shall encourage increased use of Electric Vehicles (EVs), wherever available, for official purposes.
- v. The concerned controlling officers shall maintain proper monitoring of fuel consumption and usage of staff cars under their administrative control.

This issues with the approval of the Competent Authority.

  
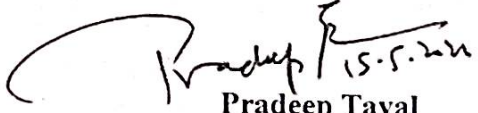

Pradeep Tayal  
Joint Secretary (GAD)
