1	This is to inform you that MCD has issued a notice on 07.03.2024 hereby inviting the tenders for aforesaid parking site (clubbed together) and the last date of submission of bids is 14.03.2024. It is not consonance with the guidelines as provided under <b>General Financial Rules 2017, Rule 161 clause no. (V). (Copy attached)</b>	As per RFP
2	Also this time said parking have been put on tender as smart parking's and three years' experience has been required by MCD from the contractors in running the smart parking's. It may be noted that MCD has started the concept of smart parking's just 6-7 months ago and the contractors who are doing work with MCD will not have experience of three years. This clearly show that the said clauses has been inserted just to favor someone.	As per RFP

This issues with the approval of Competent Authority.
