ORDER

It has come to notice of the undersigned that traders dealing with Health Trades are facing problems in filling the online applications, due to lack of information /instructions. The traders are filling the application form and making wrong entries to get license especially instants licenses.

Therefore, Addl. MHO-II is directed to prepare guidelines for filling the forms and upload all the circulars, orders and technical instructions online so that traders do not commit mistakes while filling the application form and getting the Health Trade Licenses. The exercise must be completed within a week time.
