CORRIGENDUM

Sub:- NIT No. CO(Advtt)/SDMC/E-Tender-05/D-413 dated 14.10.2020.

Reference subject cited NIT.

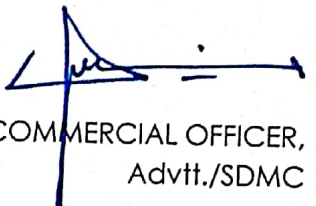

It is informed that para (ii) of Sub Clause-J of addendum No. CO (Advtt.)/SDMC/E-Tender-05/2020-21/D-506 dated 04.11.2020 has been written inadvertently as :

"The allottee may also increase the size of the front side display of the unipole to 30 sq metres in lieu of two backside displays of the unipoles in the cluster. In case, the allottee opts to utilise one back side display, then, he/she shall pay the advance proportionate value of another backside display for increasing front side display size. The value of back side display shall be as per sub clause (I) of Clause 2"

The same may now be read as :

"The allottee may also increase the size of the front side display of the unipole to 30 sq metres in lieu of two backside displays of the unipoles in the cluster. In case, the allottee opts to utilise/drop one back side display, then, he/she shall pay the advance proportionate value of another backside display, in addition to MLF already fixed, for increasing front side display size. The value of back side display shall be as per sub clause (I) of Clause 2"

The rest of terms & conditions including corrigendum/addendums shall remain same.
